The **2024 Toyota Land Cruiser 79 2.8L Diesel Full Automatic (AT)** is a tough, reliable, and versatile pickup designed to handle the most demanding tasks and terrains. Equipped with a powerful 2.8L turbocharged diesel engine and an automatic transmission, it delivers outstanding performance, excellent torque, and enhanced driving convenience. The iconic design of the Land Cruiser 79 features a rugged exterior, bold grille, durable body construction, and high ground clearance, making it ideal for both work and adventure.

Inside, the cabin combines functionality with comfort, offering supportive seating, air conditioning, and a straightforward dashboard with modern infotainment features for a seamless driving experience. Built for heavy-duty use, the Land Cruiser 79 is perfect for towing, hauling, and off-road exploration.

Now available for export, the **2024 Toyota Land Cruiser 79 2.8 Diesel Full AT for sale in Dubai** is a top choice for industries, businesses, and enthusiasts alike. Check out competitive **Land Cruiser 79 export prices in UAE** today and invest in unmatched durability and performance!

The **CarFit**

The **TOYOTA** Hilux

The car is a white Toyota Hilux 4x4 pickup truck. The tailgate features a large red 'TOYOTA' badge, with 'EX' and '4x4' badges on either side. The side of the truck has a decorative graphic in purple, red, and gold. The truck is parked on a grey concrete surface against a plain grey wall. A large, semi-transparent watermark is overlaid on the image.
