## **2024 Toyota Land Cruiser 79 4.2L**

### **TAKES YOU WHEREVER YOU WANT**

The 2024 Toyota Land Cruiser 79 Double Cab Pickup is a robust and versatile vehicle designed for both work and adventure. With its powerful 4.2L V6 diesel engine (1HZ), this pickup delivers reliable performance that can handle tough terrains and heavy loads. The engine provides ample torque and durability, making it an excellent choice for those who require a dependable workhorse. At the heart of the Land Cruiser 79 is a V6 4.2L diesel engine with a displacement of 4164 CC. This engine is paired with a 5-speed manual transmission, allowing for precise control and an engaging driving experience. The vehicle's 130-liter fuel tank ensures long-range capability, making it suitable for extended journeys or remote work sites. The 4WD system enhances traction and stability, enabling the vehicle to navigate challenging off-road conditions with ease. Whether you're traversing rocky paths or muddy trails, the Land Cruiser 79 is built to perform.

### **ADDITIONAL FEATURES**

The Land Cruiser 79 is equipped with a range of convenience features designed to make daily use more comfortable. The tilt and telescopic steering column allows for adjustable driving positions, while the power steering ensures smooth handling even under heavy loads. Additional features include power door locks and power windows, which enhance accessibility and convenience. There's also a cup holder and a clock integrated into the dashboard, making it easy to keep your essentials within reach. Safety is a priority in the Land Cruiser 79, which comes equipped with essential safety features such as anti-lock brakes and an airbag system for added protection in case of a collision. The high altitude compensator improves performance in elevated terrains, making this vehicle suitable for diverse environments.
